Our Lady of Peace Catholic Church & Shrine Mission Statement

Our Lady of Peace is a church and shrine dedicated to the greater glory of God and the salvation of souls. It is a place of prayer & pilgrimage with: • Perpetual adoration of Jesus in the Blessed Sacrament • Devotion to the Blessed Virgin Mary • Frequent celebration of the Sacraments, particularly the Eucharist and Reconciliation • Integrated formation of the person (spiritual, moral, intellectual and emotional)

From the Pastor's Desk

Dear Parishioners,

This coming Saturday, January 21, along with thousands of others, more than four busloads of parishioners from Our Lady of Peace will travel north to San Francisco to raise our voices for those who do not have one, we will walk for those who cannot take steps, and pray for everyone involved and affected by a society that is suffering.

Some decades prior to the birth of Christ, the great Latin poet, Horace, penned these thought provoking words: *"It concerns you when your neighbor's wall is on fire."* What Horace means here is that it must matter to us when our neighbor faces danger. Not only is it a matter of charity, but it is a demand of justice that we care for the needs of those in our communities.

I think all would agree that anyone should be concerned at the loss of innocent life. It should also concern us (even more so) when government and law is used to validate or normalize activities, procedures, ways of thinking and acting that artificially prevent or destroy life. It should concern us that somehow the defense and protection of innocent life—rather than being heroic and noble—is viewed as bigoted and discriminatory. It should concern us when our neighbor's wall is on fire, because what results is a blindness to tragedy (or perhaps just being too busy with other things).

In 1948, Ven. Archbishop Fulton Sheen said that: "It is a characteristic of any decaying civilization, that the great masses of the people are unconscious of the tragedy. Humanity in a crisis is generally insensitive, to the gravity of the times in which it lives. Men do not want to believe their own times are wicked, partly because they have no standard outside of themselves, by which to measure their times. If there is no fixed concept of justice, how shall men know it is violated? Only those who live by faith, really know, what is happening in the world; the great masses without faith are unconscious of the destructive processes going on, because they have lost the vision of the heights from which they have fallen."

It is important for us to walk, march, chant, sing and pray! It is good that we proclaim the truth about a culture of life, about families and marriage – it is an act of love. We do this because we love our state and our nation. It is important for children to grow up in a culture that is ordered and healthy – one that acknowledges that a man and a woman are unique, different, and complementary and are mutually necessary to keep a society going. And it is an act of love for those who are withheld the truth about God's real love—and their real dignity and capacity to truly love—by the confusing lies of the world. Indeed, God has given us the freedom to do anything, to teach anything, to turn towards or away from anything, but where does that inevitably lead us? Away from reality? Away from one another? Away from ourselves?

As we march in San Francisco, along with countless others throughout the nation, we will be peacefully supporting the fundamental principles of our country "Life, liberty and the pursuit of happiness." We are proclaiming the truth of life, the truth of liberty, and the truth of happiness. These, indeed, are values shared by all, but as Pope Francis assured us in his visit to the US, "they find their fulfillment in the Gospel." Therefore, as much as it is a proclamation of life, of family and of love, it is a proclamation of truth—the truth of the Good News.

So, I invite you to come and walk for life with us on Saturday, January 21. I invite you to come as a family, let us caravan together in cars and buses as a family of families to bear witness to the beauty and joy of human life. We entrust this work to the Immaculate Heart of Mary.

Mary, Our Lady of Peace, pray for us!

Are You a Registered Parishioner?

If you attend Mass here regularly, we encourage you to register as a member of Our Lady of Peace Catholic Church.

3 main reasons why registering is important:

1. If we as a parish do not know who is out there, how can we serve the needs of all?

This includes single people or young families who may not see the need to register.

2. Registering in the parish makes Sacrament prep easier when the time comes.

Infant baptisms, religious education registration, being a godparent/sponsor for baptisms or confirmations, and especially getting married whether you are getting married at this parish, another parish, or having an international Catholic wedding.

If you're not a registered parishioner this will greatly delay the process.

3. Letters of Recommendation

Sometimes there are occasions where you will be asked to submit letters of recommendations from your parish pastor (ie Catholic school enrollment, scholarships, etc.). If you're not registered, we cannot provide this letter to you or your family.

Anyone, regardless of where they live and even though the Diocese is divided into parish geographical areas, is welcome to register at OLOP. Please note: there is a three (3) month waiting period from the date of registration before being considered a full-fledged registered parishioner. Any requests for pastor signatures on any forms or wedding preparation paperwork will not be processed within the 3 months.

Registering is easy!

Visit the Parish Office, call the Rectory Office (408-988-4585), or email us (info@olop-shrine.org) to request a registration form.

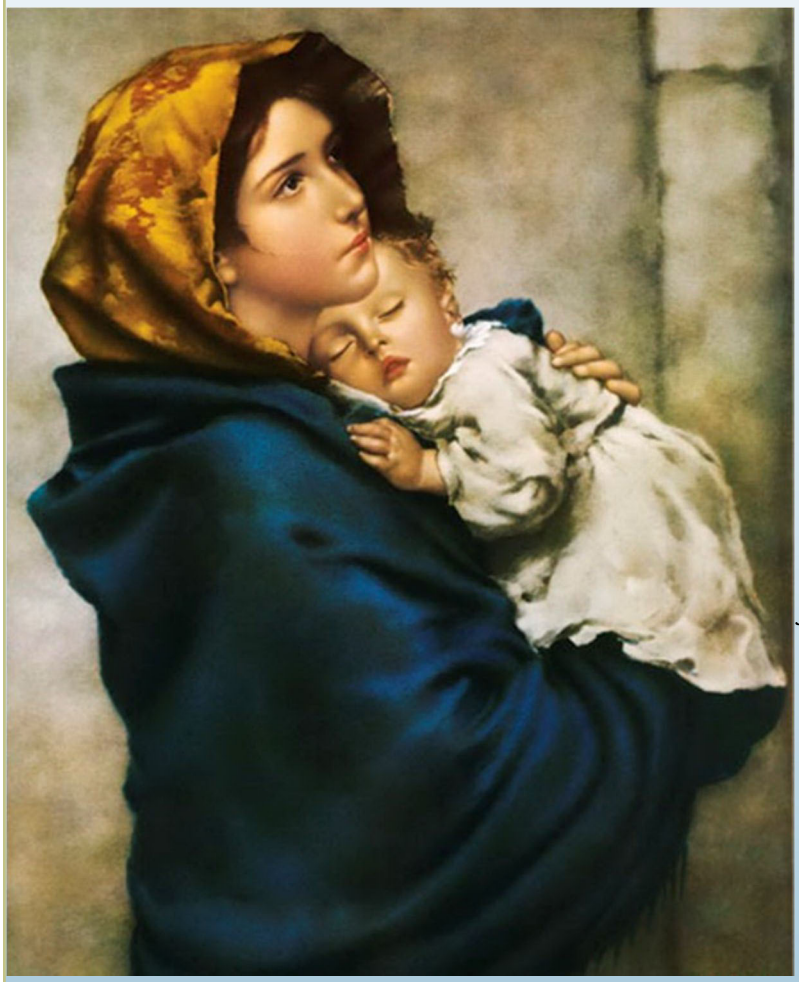
January is PRO-LIFE Month

"How can there be too many children? That is like saying there are too many flowers."
Saint Mother Teresa



Are you planning on attending the **Walk for Life West Coast on Saturday, January 21, 2017 in San Francisco**? If you are, great! If you have never participated, I ask you to consider doing so this year and every year. As Catholics we need to defend life from conception to natural death. This is accomplished through prayer and giving witness before others that life is a gift from God our Creator and Father. The Walk for Life provides an excellent opportunity to stand for life and join thousands of people who fight for the same cause.

"Mothers in the animal kingdom care only for a body; ***mothers in the spiritual kingdom must care also for a soul, a mind and a heart.*** *The soul* ***comes from God and must go back again to Him.*** *God sets the target, the parents are the bow, and their vocation is to shoot the arrow straight. When a child is given to parents,* ***a crown is made for that child in Heaven****, and woe to the parents who raise a child without consciousness of that eternal crown!"* (Ven, Fulton Sheen, *Life is Worth Living,* p. 49, Kindle Edition)
