# Today We Celebrate the Sixth Sunday of Easter

## FROM OUR PASTOR

Dear Parishioners,

It is a great joy for me and indeed a pleasure to invite you once again to our Annual Fatima Pilgrimage that will take place every 13<sup>th</sup> day during the months of May through October. To accept this invitation is to hear the plea of our Blessed Mother to pray for the conversion of sinners, for peace and in reparation for the sins committed against her Immaculate Heart.

The Catechism of the Catholic Church teaches that "Pilgrimages evoke our earthly journey toward heaven and are traditionally very special occasions for renewal in prayer. For pilgrims seeking living water, shrines are special places for living the forms of Christian prayer 'in Church.'" [2691]

The word "pilgrimage" comes from the Latin *peregrinus*. The root word is per-ager, meaning "to travel a distance." To be a pilgrim was to travel far, to go to a foreign country and sojourn there. Later, "pilgrimage" came to mean a journey to a holy place, with a religious purpose. (A. Solignac, *Pélerinages*, Introduction)

The origins of pilgrimages can be traced back even beyond Christian antiquity. Cultural anthropology has revealed three stages of pilgrimage: **a.** the victory over space, wherein pilgrims must break the routine of their daily life and journey elsewhere to change themselves from within; **b.** the contact with a sacred place by means of the embrace of a stone or statue, or by leaving a souvenir of one's passing (a votive offering, inscriptions on the walls, etc.); **c.** the encounter with the divinity and the hereafter, which the holy place brings to mind. (Cf. A. Dupront, *Pilgrimages and Sacred Places*)

Now, in the Bible we frequently see the words "way, road, path." The Semites used these words to describe mankind's way of life, moral conduct, and religious bearing. Abraham, who left Ur in Chaldea, exemplifies the spiritual pilgrim on the way of perfection. Since Abraham, all men of faith have been pilgrims marching in the desert toward the Promised Land. We are the people of God on pilgrimage.

Particularly in this case, our Blessed Mother insistently asked the three children shepherds: "to come here for six months in succession, on the 13<sup>th</sup> day, at this same hour." (Cf. Apparitions of May 13, June 13, July 13, August 13, September 13 and October 13, 1917)

So for us, the Fatima Pilgrimage is a reply to the request of our Lady, to set out on the "path of conversion" (penitential aspect of the pilgrimage), as she explained in the apparition of October 13, 1917: "They must amend their lives and ask for forgiveness of their sins. Do not offend the Lord our God anymore, because He is already much offended." The Fatima Pilgrimage is also an act of faith, walking in the obscurity of the faith yet thirsty for the serenity of the contemplation of our Lady. It is a manifestation of joy: *I rejoiced when they said to me, 'Let us go to the house of the Lord!'* (Ps 122:1). It is an opportunity to give the due honor to our Lord and His Blessed Mother since we as pilgrims walk in order to go to the encounter of God by the hand of our Lady. It is also an occasion for apostolate drawing other closer to the Mother of God and her Son by the silent preaching we offer in the different manifestations of our love and veneration for our Lady. And finally, this pilgrimage helps us to grow in unity among us and with other pilgrims who walk and pray with us.

"To go on a pilgrim is to come out of one self to follow Christ." (Fr. Buela, IVE Founder)

It is my ardent desire that this 2015 Fatima Pilgrimage will draw more and more souls to find solace in the Immaculate Heart of our Blessed Mother, and that she in turn, may find compassionate hearts that will love her tenderly and offer sacrifices in reparation for the many offenses committed against hers.

Today, also I commend all mothers to the special protection of our Lady, may she bless them and give them strength to 'persevere in love'. Happy Mother's Day!

Fr. Gustavo Nieto, IVE

### Tra le Sollecitudini ~ Instruction on Sacred Music

#### Pope Pius X ~ Motu Proprio promulgated on November 22, 1903

#### II. The different kinds of sacred music

3. These qualities are to be found, in the highest degree, in Gregorian Chant, which is, consequently the Chant proper to the Roman Church, the only chant she has inherited from the ancient fathers, which she has jealously guarded for centuries in her liturgical codices, which she directly proposes to the faithful as her own, which she prescribes exclusively for some parts of the liturgy, and which the most recent studies have so happily restored to their integrity and purity.

Special efforts are to be made to restore the use of the Gregorian Chant by the people, so that the faithful may again take a more active part in the ecclesiastical offices, as was the case in ancient times. *To be continued next week....*

## Help Nepal Now

Our Church mourns the terrible suffering of our brothers and sisters affected by this powerful earthquake. Please join with the Catholic community across the United States in responding to our suffering brothers and sisters through a special collection for the work of Catholic Relief Services in Nepal. CRS is the official humanitarian agency of the Catholic community in the U.S. and is already responding to urgent needs for shelter, water and food in Nepal.

For more information, go to [CRS.org](http://CRS.org).

Additional, information from the California Catholic Conference on Senate Bill 128 (SB 128): *Once again, a bill to legalize the practice of assisted suicide has been introduced in the California State Legislature, in the form of Senate Bill 128 (SB 128).*

*This time, the bill has been announced in the Senate and is being authored by two democratic legislators: Senator Lois Wolk (D-Davis) and Senator Bill Monning (D-Carmel)\*.*

*Once more, this legislation will be vigorously opposed by a diverse group of organizations representing doctors, people with disabilities, faith-based organizations, hospitals, hospice, minorities, the poor and the uninsured.*

*Catholic social teaching tells us that we are created in the image of God; therefore, we hold life to be sacred from conception to natural death. We believe that we are stewards-not owners-of our lives.*

*As such, the California Catholic Conference remains steadfast in our opposition to assisted suicide and any attempts to legalize it, and therefore, strongly opposes SB 128. Assisted suicide represents misguided public policy, which would have numerous detrimental implications for vulnerable people and impact our society negatively.*
