OUR LADY OF PEACE CATHOLIC CHURCH & SHRINE MISSION STATEMENT

Our Lady of Peace is a church and shrine dedicated to the greater glory of God and the salvation of souls.

- It is a place of prayer & pilgrimage with:
- Perpetual adoration of Jesus in the Blessed Sacrament
 - Devotion to the Blessed Virgin Mary
 - Frequent celebration of the Sacraments, particularly the Eucharist and Reconciliation
 - Integrated formation of the person (spiritual, moral, intellectual and emotional)

From the Pastor's Desk

Dear Parishioners,

"A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer." (Pope Saint John Paul II, *Evangelium Vitae*, 100)

The over 56 million abortions since the 1973 decisions of *Roe v. Wade* and *Doe v. Bolton* reflect with heartbreaking magnitude what Pope Francis means by a "throwaway culture." However, we have great trust in God's providence. We are reminded time and again in Scripture to seek the Lord's help, and as people of faith, we believe that our prayers are heard.

So please keep in mind that this coming January 22 is a particular day of prayer and penance, called the "Day of Prayer for the Legal Protection of Unborn Children": "In all the Dioceses of the United States of America, January 22 (or January 23, when January 22 falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion." (General Instruction of the Roman Missal, 379)

As individuals, we are called to observe this day through the penitential practices of prayer, fasting and/or giving alms. Another way to take part is through participating in special events to observe the anniversary of *Roe v. Wade*. We—as the Family of Our Lady of Peace Church—are going to participate on Friday of the Rally for Life and on Saturday 23 of the annual Walk for Life 2016. All are invited and encouraged to participate!

The Holy Father in his Address to the International Federation of Catholic Medical Associations (09/20/13) has called us to "be witnesses and diffusers of the 'culture of life.'" Here is an excerpt that I suggest you may read slowly and prayerfully:

"A widespread mentality of the useful, the 'throwaway culture' that today enslaves the hearts and minds of so many, comes at a very high cost: It asks for the elimination of human beings, especially if they are physically or socially weaker. Our response to this mentality is a decisive and unreserved "yes" to life. ... Things have a price and can be sold, but people have dignity; they are worth more than things and are above price. So often we find ourselves in situations where we see that what is valued the least is life. That is why concern for human life in its totality has become in recent years a real priority for the Church's Magisterium, especially for the most defenseless (i.e., the disabled, the sick, the newborn, children, the elderly, those whose lives are most defenseless).

In a frail human being, each one of us is invited to recognize the face of the Lord, who in his human flesh experienced the indifference and solitude to which we so often condemn the poorest of the poor, whether in developing countries or in wealthy societies. Every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before he was born, and then just after birth, experienced the world's rejection. ... And every elderly person, even if he is ill or at the end of his days, bears the face of Christ. They cannot be discarded, as the "throwaway culture" suggests! They cannot be thrown away! ...

Be witnesses and diffusers of the "culture of life." Your being Catholic entails a greater responsibility: first of all, to yourselves, through a commitment consistent with your Christian vocation; and then to contemporary culture, by contributing to recognizing the transcendent dimension of human life, the imprint of God's creative work, from the first moment of its conception. This is a task of the new evangelization that often requires going against the tide and paying for it personally. The Lord is also counting on you to spread the 'Gospel of Life.'"

May God Bless you all!

Fr. Gustavo Nieto, IVE

Pledge Weekend! (Jan. 16th—17th) ADA Goal: \$262,817

“Rejoicing in God’s Mercy, Together in Christ” is this year’s Annual Diocesan Appeal theme for the Diocese of San Jose. Every year, faithful Catholics from 54 parishes and missions within Santa Clara County, will contribute generously next weekend to support common services and programs in the Diocese. Each of you are asked to contribute your share of this year’s goal.

What is the Annual Diocesan Appeal and Why do we have it? The ADA is the annual invitation to the people of the Diocese of San Jose to participate in and support common services and programs of our local Church. The ADA supports common services and programs across all of the parishes. These include clergy, the Office of the Bishop, Stewardship and Development, Communication Services, Office for the Parish Services, Operational Services, Tribunal, Office for Protection of Children and Vulnerable Adults.

Does my parish receive any of my ADA contribution? Each parish receives every dollar collected above its assigned goal. These ADA rebates are returned directly to your parish at scheduled intervals after the parish’s diocesan goals have been met.

Ways to Give: Bring your completed pledge form to mass next weekend and drop it in the parish offertory collection, bring it to the parish office, or mail the pledge envelope to your parish.

"The Word was made flesh, and dwelt among us." John 1:14

Courtesy

"WHAT HAS HAPPENED TO POLITENESS? How few children, for example, **are ever trained to shake hands with a person to whom they are introduced.**

What are the causes for this want of delicacy and refinement toward others in modern society? One reason probably is that we live in a **technological age** in which we are separated from one another by **functions**. Persons become like fountain pens with which business organizations write; whether the ink is black, red, green or yellow makes little difference. **The sense of the uniqueness of the person, his irreplaceability, his bearing of eternal values — all this is lost.** If "A" does not press the button, there is always "B" who will perhaps be a better button-pusher.

The greatest treatise on courtesy ever written was in a letter to the people of Corinth in which, among other things, the man of Tarsus wrote, "Love has good manners and does not pursue selfish advantage. It is not touchy. It does not keep account of evil or gloat over the wickedness of other people. On the contrary, it is glad with all good men when truth prevails. Love knows no limit to its endurance, no end to its trust, no fading of its hope; it can outlast everything. It is, in fact, the one thing that stands when all else has fallen."

Another rule of courtesy is: "In lowliness of mind, let each esteem others better than themselves" (St. Paul: Letter to the Philippians 2:3). This is difficult. But it is born of the Christian law that we can see the actions of people, but cannot know the motives. We always think the best about ourselves, but we think only the worst about other people, particularly today when the mood is to be rebels without programs, to pull down rather than to build up."

Archbishop Fulton J. Sheen, (*Children and Parents*, pp. 64- 66, Alba House, Kindle Edition)
