October, month of the Holy Rosary

"The Rosary is the most beautiful and the richest in graces of all prayers; it is the prayer that touches most the Heart of the Mother of God...and if you wish peace to reign in your homes, recite the family Rosary."

Pope Saint Pius X

"The beginning of the way, at the end of which you will find yourself completely carried away with love for Jesus, is a trusting love for Mary. Today as in other times the Rosary must be a powerful weapon to enable us to win in our interior struggle and to help all souls."

St. Josemaria

- Catholics striving for Holiness -

October is the month of the Rosary, because of the anniversary of victory at the Battle of Lepanto and the feast of Our Lady of the Rosary occurring in October. The Battle of Lepanto and the institution of the feast day took place in the 17th century; in the late 1800s, Pope Leo XIII officially dedicated the entire month to devotion to the Holy Rosary.

OUR LADY OF PEACE CATHOLIC CHURCH & SHRINE MISSION STATEMENT

Our Lady of Peace is a church and shrine dedicated to the greater glory of God and the salvation of souls.

It is a place of prayer & pilgrimage with: • Perpetual adoration of Jesus in the Blessed Sacrament
• Devotion to the Blessed Virgin Mary • Frequent celebration of the Sacraments, particularly the Eucharist and Reconciliation • Integrated formation of the person (spiritual, moral, intellectual and emotional)

From the Pastor's Desk

Dear Parishioners,

In 1785, Fr. Francisco Palóu wrote of his mentor: "The memory of Junípero Serra shall not fail, because the works he performed when alive shall be impressed in the minds of the dwellers of this New California; despite the ravages of time, they shall not be forgotten." California is a land of the missions! In fact, we find ourselves in the middle of a network of missions founded by a priest with a vision, Fr. Junípero Serra, now St. Junípero Serra. Thanks to the very land that we walk upon, we have a perpetual reminder of the significance and mission of Christian discipleship. To him can truly be directed the words: "Well done, my good and faithful servant. Since you were faithful in small matters, I will give you great responsibilities. Come, share your master's joy." (Mt 25, 21)

We can learn from his example. It says to us here at Our Lady of Peace: recognize, receive, and accept the gifts that God has given us and commit them to the service of the overall mission of our parish and the wider universal church. As St. Peter succinctly instructs: "each one has received a gift, use it to serve one another as good stewards of God's varied grace." (1 Peter 4:10)

As I highlighted last week, we are Christian disciples and this is something very special. It is a way of life and a manner of action. And this way of life and manner of action needs a plan that is spiritually based and specific to the parish of Our Lady of Peace. We call this the "Parish Mission Statement."

To many this statement may seem like a formality, but to the faithful disciple it is a way of life. Why? Because, the disciple acknowledges and seeks to use, as a good steward, the gifts that he or she has been given, which means we need to point them in a direction. A person wants to know where they are going and how to get there. For this reason, we have a mission statement. It helps us to unify, energize and become more actively involved when we follow a common direction. It articulates goals and objectives that form the vision allowing the mission to become a lived reality and to not remain simply words on a sheet of paper.

Therefore, returning to this magnificent example of history and culture that comprises the California Missions, we can see firsthand the fruits of a good and faithful steward—St. Junípero Serra—and his clear vision. Going beyond the 9 missions he founded and 24,000 miles he walked, it is not hard to determine that the foundation of major metropolitan cities and roadways was the result of this work. Perhaps even more impressive is the striking simplicity of its cause – a friendship with Jesus Christ, the grateful response of a Christian disciple.

The unmistakable vision that he possessed directed him to concretely exercise his discipleship. If one is a disciple but never acts on their discipleship, their discipleship is meaningless. One cannot be a disciple without also being a steward of the gifts that God has given. Stewardship is the active branch of discipleship. It is the exercise of discipleship, here at Our Lady of Peace, unified and specified by our specific mission.

As our Holy Father Pope Francis reminded us on the evening of St. Junípero Serra's canonization, let us learn from him! The Pope said, "Father Serra had a motto which inspired his life and work, not just a saying, but above all a reality which shaped the way he lived: *siempre adelante!* Keep moving forward! For him, this was the way to continue experiencing the joy of the Gospel, to keep his heart from growing numb, from being anesthetized. He kept moving forward, because the Lord was waiting. He kept going, because his brothers and sisters were waiting." (23 September 2015)

Next week we will begin to consider the Mission Statement in its different parts to help us come to a deeper knowledge and love of our mission so that we may continue to grow in and experience the joy of Christian discipleship.

Mary, Our Lady of Peace, pray for us!

Fr. Brian

Our Lady of Peace has been blessed with so many vocations to the priesthood and the religious life. The Rectory Office has come a long way in collecting names, but there is still a lot of people, dates and details that are missing. If you have any information in regards to more vocations, details, or even those that might have left the religious life (at least they pursued it) please call or email us to let us know.
