*"Prepare the way of the Lord,
make straight his paths."*

A PRAYER FOR THE SECOND SUNDAY OF ADVENT

Jesus, you came among us with the irresistible power of a baby, requiring both our hands and captivating our whole hearts. Help us to cast aside the sin and brokenness that we cling to, so we might be ready to hold you when you come again. Amen

Our Lady of Peace Catholic Church & Shrine Mission Statement

Our Lady of Peace is a church and shrine dedicated to the greater glory of God and the salvation of souls. It is a place of prayer & pilgrimage with:

- Perpetual adoration of Jesus in the Blessed Sacrament
- Devotion to the Blessed Virgin Mary
- Frequent celebration of the Sacraments, particularly the Eucharist and Reconciliation
- Integrated formation of the person (spiritual, moral, intellectual and emotional)

From the Pastor's Desk

Dear Friends,

Fast, easy, and inexpensive, these are the driving forces behind disposables. It is seen everywhere, few things are built to last. There is a premium placed on innovation, convenience, and mass production. During this time of year, the industries and clever marketing strategies try to convince us of “upgrades” or “responsibly” throwing out the old and cleaning up with the new. In the midst of this storm of consumerism and materialism, let us hear the words of St. Bernard’s Advent homily again:

“When the unhappy children of Eve had abandoned the pursuit of things true and salutary, they gave themselves up to the search for those that are fleeting and perishable. . . . Thus, the children of the world perish miserably while following after transitory things and neglecting those which are solid and enduring, cleaving to which, they might save their souls.”

Of course, you might say that disposable utensils and fast food are not so bad, . . . well maybe not, but when the fast, the easy, and the inexpensive (little cost required) become ideals and qualities for consumption – something is wrong. Rather than the material being fashioned and formed to be elevated to human beings, human beings are being lowered, unsophisticated (I made this word up), and are lowering themselves to the material.

This culture encourages us not to expect much out of life, and to use others as objects, defeat them at all costs, because they are to be used for our happiness and when they fail us in this (as the most certainly will) they are to be discarded. Bl. Charles de Foucauld, speaking of himself, describes this well: *“running wild... I was in the dark. I no longer saw either God or men: There was only me.”*

Is this type of “wild run” a cultural trend? I know I risk sounding to prudish, but a materialistic hedonism seems to be a prevailing wind. What is forming the culture? Sadly, in a “nobody wants to talk about the problem” kind of way, pornography has drastically scarred the anthropological vision of society – at alarmingly younger and younger ages. Here they encounter images of people that are used for pleasure and then discarded. Contraceptives and birth control lead to an understanding of sex and relationships without any connection to the giving of life, or sacrifices necessary for any relationship. And of course, abortion and euthanizing of the elderly allows for the unwanted to be regarded as disposable – the young, the old, the deformed, or simply not the correct biological preferences. Much like a prosperous society, Bl. Charles de Foucauld, having turned his back on God, described himself at 15 as “all egotism, vanity, impiety, with every desire for evil.” Therefore, with a fortune and substantial learning to stand upon and no moral compass to speak of, he simply became consumed by desire for sensual pleasure.

“Culture” is a term that is related to “cultivation.” And just as cultivation does not just mean throw nothing away, culture has to be an act of preservation of what is good and disposing of what is harmful. If a culture were to be “disposable,” it could no longer see the value of permanence and would fail to protect things worth saving.

In every society of every age since her inception, the Catholic Church has had to preach against destructive propensities. However, as our Lord has always done and will continue to do, the good aspects of a culture must be baptized by the Gospel and elevated through evangelization efforts.

Simply, if we would dispose of all aspects of a culture, society would cease to exist.

Next week, we will speak a little more about what should go into a culture that is truly in pursuit of things that are true and salutary.

Mary, Our Lady of Peace, pray for us,

Fr. Brian

Liturgical Adaptations for the Flu/Cold/Virus Season

The Public Health Officer of Santa Clara County has again requested that we make a number of temporary adaptations to our celebrations of the Eucharist, so as to foster the health of our worshipping communities and also of the wider community.

Given the anticipated increase of the flu throughout the Diocese in upcoming weeks, the Diocese asks that these adaptations be implemented until further notice.

For the duration of the flu/cold/virus season, Holy Communion will be distributed only into the hands of communicants; during this time, Holy Communion will not be distributed on the tongue. Should a communicant be unwilling to follow this directive, that person is to receive Holy Communion after everyone else has done so.

For the duration of the flu/cold/virus season, people should refrain from holding hands during the recitation or singing of the Lord's Prayer. The Sign of Peace should be adapted so as to allow for a greeting that does not require shaking hands or touching.

Winter Clothing Donations

St. Vincent de Paul is requesting—in lieu of donated clothes—please donate **Goodwill gift cards or cash.**

We will give them to our clients so that they can pick up winter clothing items that they need.

Please bring these donations to the Rectory.

For questions, please call 1-800-557-1961

Thank you for your generosity.

Mass Request Guidelines

It has been tradition in the Church that priests are asked to offer a Holy Mass for a specific intention. Maybe someone in the family is sick, or perhaps you want to remember a special occasion such as a birthday or wedding anniversary; the Holy Mass is a wonderful and most powerful prayer. St. Anselm states: "A single Mass offered for oneself during life may be worth more than a thousand celebrated for the same intention after death."

Here at Our Lady of Peace we are truly blessed to have the Holy Mass celebrated at least 30 times a week with each of those masses holding the intentions of the faithful. Started this year, we now have **COLLECTIVE MASS INTENTIONS** for the 8am Holy Mass Monday to Saturday. Collective Masses may have more than one person requesting/donating for that particular mass and, in no way, diminishes the effectiveness of the mass request.

We in the office understand that we have been making changes and this can cause confusion. But our intention is to always be improving our system along the lines of Canon Law and the Magisterium. To help our parishioners understand Mass Requests and how to go about requesting one we have listed our guidelines below.

—All requests must be made **IN PERSON** at the Rectory Office and is on a FIRST COME, FIRST SERVE quarterly basis. This quarter the book will open on **Tuesday, December 12** for the months of: January, February and March

—The requestor must be at least 13 years old of age to request a mass

—Requestor may come in once a day and request up to two (2) masses that do not occur in the same week

—Each mass may not have more than 2 intentions (e.g.: Emy & David, Special Intentions or Davidson & Kneller Families = 2 Intentions) with a limit of 25 characters including spaces (e.g.: Mary Smith = 10 characters) per mass request

—**No changes** can be made once the requests have been placed into the calendar

—**No holds or reservations** will be accepted.

Q&A's

What is the schedule to make requests?

Dec. 12th 9am—12pm; 1pm-5pm, and during office hours thereafter.

No mass intention requests are taken on Saturdays & Sundays

We truly appreciate your cooperation in helping us make this process work in a fair manner. Thank you! If you have any questions or concerns, please contact the rectory office at (408)988-4585.
